Larry Myatt
Director

Luz Padua
Associate Director

Greetings to the class of 2002!

Upon your leaving, I want to congratulate you on your accomplishment of the high school diploma and in particular, of the Fenway High School diploma. I also want you to know you will be remembered.

You have each left your mark here—in the way you carried yourself day to day, your greeting, your smile, your contributions, large and small, to each other and to Fenway High School. As you move into the wide world, and as you look back at the story of this part of your life and ours, remember that you were part of a special and unique collective experience. Know that you were part of a special community that agreed to live, love and learn together. Our best wishes go as well to your family members, for their support of your achievements. Look back and be proud. Look ahead and be eager to make your mark and to bear the responsibility of leading in the way that only you can. And, of course, work hard, be yourself, and do the right thing! Thank you for being a special part of our lives.
